**RIVERSIDE
COUNTY
PACKINGHOUSE
MEETING**

PLEASE JOIN US – JUNE 14

The Citrus Pest & Disease Prevention Program invites packinghouse managers, operations managers and supervisors in Riverside County to attend a roundtable discussion about the Asian citrus psyllid (ACP) and Huanglongbing (HLB).

The meeting will include updates on ACP and HLB in Southern California, regulations affecting their business, and program activities happening at the statewide level.

Attendees will be able to ask questions and speak with:

- **Ruben Arroyo**, Riverside County Agricultural Commissioner
- **Nawal Sharma**, manager for the quarantine response program at CDFA
- **Mark McBroom**, vice chairman of the Citrus Pest & Disease Prevention Program Committee

Parking will be validated, and refreshments will be provided.
