**CALIFORNIA CITRUS STATE HISTORIC PARK**

**9400 DUFFERIN AVENUE, RIVERSIDE, CA 92504**

Please contact the [Riverside County Agricultural Commissioner's Office](#) or [San Bernardino County Office of Agriculture/Weights and Measures Department](#) for more information on OFF detections in the area or with questions about the meeting.

To keep the industry informed on the latest updates and information as it relates to various Oriental fruit fly (OFF) detections in Riverside County, the Riverside and San Bernardino County Agricultural Commissioner's Offices and California Department of Food and Agriculture (CDFA) will be hosting a grower meeting on Dec. 19, 2024, from 4-6 p.m. at the California Citrus State Historic Park. The meeting will be held in-person only.

Registration is not required to attend, but it is encouraged. To RSVP, please complete the following form [here](#).

As of Dec. 6, an OFF quarantine has NOT been established in Riverside or San Bernardino counties. Growers with operations in surrounding areas will have the opportunity at the meeting to hear the latest updates on recent detections, understand harvest requirements should a quarantine be established in the future and speak with staff from CDFA, USDA, Riverside County Agricultural Commissioner's office and the San Bernardino County Office of Agriculture/Weights and Measures Department.
